SPECIAL RECOGNITION AWARDS IN HONOUR OF MY LIVING AND LATE HEROES

As part of the celebration of six decades of impactful living and over three decades of dedicated public service, the Risibello Charity Foundation (RCF) is honoured to present these Special Recognition Awards to individuals whose lives, values, sacrifices, encouragement, and exemplary character have significantly influenced my personal journey and inspired many others over the decades.

These awards reflect the Foundation's commitment to humanitarian service, leadership, mentorship, education, empowerment, and sustainable community development. They recognise not only those who have directly shaped my life, but also deserving individuals from both near and far whose integrity, resilience, dependability, compassion, humility, and selfless service have positively impacted families, communities, institutions, and society.

The recipients have been carefully selected because they exemplify values worthy of recognition and emulation. Their lives remind us that true greatness is built on character, sacrifice, commitment, and service to humanity.

It is important to note that these awards are **not** exhaustive. Similar categories of recognition have been, and will continue to be, presented by the **Risibello Charity Foundation** to other deserving individuals across different sectors and walks of life. Therefore, if your name is not among today's recipients, be encouraged. Your season of recognition may come through the Foundation or through the various institutions and communities we serve together.

Let these awards inspire us all to continue giving our very best in every assignment. Every sincere act of service, kindness, integrity, and dedication matters. While human recognition may come at different times, Almighty Allah sees every good deed, and every work is accountable.

"And say, 'Do good, for Allah will see your deeds, and so will His Messenger and the believers.'"(Qur'an 9:105)

May these awards encourage us to remain steadfast in excellence, humility, compassion, and selfless service, knowing that the greatest legacy we can leave is not in titles or positions, but in the lives we touch and the positive impact we make.

"A life of impact is measured not by the years we live, but by the values we uphold, the people we inspire, and the legacy of service we leave for generations to come."
